Minutes of last year's conference were read and accepted.

REGIONAL STATUS REPORTS

Northern California - Steve gave report. They have 5 areas that they handle: San Francisco Bay, San Jose, Santa Rosa, Stockton and Sacramento. These areas have roughly 35 groups.

Copies of their newsletter "Mainline" were passed out to conference participants. This was their first issue.

March 21-23 1980 is Santa Rosa's convention. From their last function's profit they elected to donate \$1,000 to WSO. An additional \$1,000 was divided equally to help the five area phone lines. \$800 was kept for future conference.

Southern California - Bryan reported that they have 5 areas, including a new one - San Gabriel Valley. Will have first annual So. Calif. Convention. Are looking for possibly of having their own Regional Office to hold business meetings, etc. Areas are supporting their region.

Houston, Texas - Have approximately six meetings a week in Houston. Brownville, Texas has a group also. They have meetings in a hospital, half-way house and a new meeting is starting in another hospital. No clubs or Central Office yet. Also having trouble communicating. Houston Convention really helped. Had an N.A. Get-Together for a day at a ranch (75 members attended). They also have word that San Antonio has clean addicts but contact is relatively poor.

Midwestern Region -

Anne Wood gave report. Their region covers Kansas, No. & So. Dakota, Missouri, Nebraska and Iowa. They recently held their first regional meeting and will be having a camp-out in June. They are contacting the WSO regularly. Keeping representation with WSO and WS Convention. Wichita has a clubhouse where they hold meetings and parties. Had a lot of hassles with churches and rehab. houses until they got their own club. 36 members present at their meetings on a good night. Have weekend jaunts to Lincoln, Nebraska.

Atlanta, GA -

Tommy B. gave report. Three representatives were present at WSC. Five people involved with Bo in getting together a text for N.A. Their Friday night meetings are getting 25-30, 60 and 80 members. Other group's attendance average 50-60 members. Have started an N.A. Gay Group which is doing well. One group is geared to pill addicts to better get with and help housewives and businessmen. Their clubhouse has 6 meetings a week and one marathon meeting which goes for six hours on Saturday nights. They also have two prison meetings and a phone service (a code-a-phone info service with meeting times, place, etc.). They have been in touch with meetings and members in other states. To the best of their knowledge they have 2 meetings in Tenn., 4 in Alabama, 2 in Brunswick, Ga. and the Carolinas have some meetings but also heard some of those have failed.

They will be having their 3rd Southeast Mini-convention (Sobriety on Seashore - S.O.S.) in Florida. They were invited to first meeting of Freedom Feast put on by counselors and hospitals. Have made a lot of strides into getting into hospitals, etc. Currently have a meeting at the Clubhouse and have 48 tapes of speakers they are transcribing for stories.

They have also approached the Federal Pen. for having an inside meeting.

Currently a big push for the 9th World Convention. Everything is coming along okay.

Colorado Region

Jann S. gave report. Region includes Colorado, Nevada, Utah, Idaho, Arizona and Wyoming. 4 groups started in Boulder, Denver and Colorado Springs. Denver dance will be May 12. Whole group going to a concert May 13. They also have a softball team. Activities have really helped to unify them. Have 60 regular members in Boulder and a clubhouse. There are 7 meetings a week in clubhouse. Also have an answering service: (303)442-9203.

Have an area rep. and meetings. Everyone has a job from coffee maker to sect. Service is very much accented.

Nevada.

Bill K. Las Vegas reported on his area. They have a Wednesday and Thursday meeting, one of which has been going for two years now. One is located in North Las Vegas and the other is in town, 8 members. Mention was made of the Fitzsimmons house facility. Drug Rehab. newcomer's meeting. Hoping to get a Step group started. They have alot of trouble getting literature and people to hook up with. They have a list of 25 members' names but only 10 are active.

Mention was made that additional input not on agenda should be submitted to Chairperson, Sue I.

World Service Office Inc.

Jimmy K. gave WSO report for fiscal 78-79. 100% increase noted. Glad to hear about additional support from other groups. Have enough literature now in stock. Question from the floor came up regarding office expenses. Answered. Trustees voted \$50.00 per month to defray WSO expense. The World Service Office Inc., World Directory will add a page for new groups so notify WSO of any additions or changes. There is now a German, Spanish, French translation of little white book now in progress. Military are now taking a new view about addiction and they are taking action. Want to get groups started at every base.

WSC Report Cont.

This is a big break after 16 years of trying to get N.A. going in the military.

WSO now has federal and state tax numbers and are exempt. It was mentioned that these numbers are for use of the fellowship as a whole.

TRUSTEE REPORT

Major thrust last year was establishing guidelines, trying to remotivate members to become active.

Amendment was written: disbandment of standing committee for WS Board since they were covered at WSC.

Trustee subcommittee may be set up to help coordinate efforts with Armed Forces and dishans after serving their purpose - wouldn't be permanent committee.

The floor was opened for questions. Conversations centered on procedures for nominations of a Trustee. Board of Trustees was founded in middle 1960's when N.A. almost folded to insure this wouldn't happen again.

SUBCOMMITTEE REPORTS

Policy - no meetings of policy committee since no issues came up.

Finance - (Amy) Made profit off San Jose convention. Regional level decided on where profit would go. Decided to write newsletter and let them know about fund-raisers. Area and regional level must handle financial matters. Suggestion was to set up a "Financial Kit" to show what other areas have done so they can learn by this.

Bob B. suggested importance of tying this into the WSC and not just on area or regional areas, that these committees should be working to set up guidelines on a World Service level and not just area or regional.

Sue I. stated that finance committee should work with Administrative committee's treasurer

Institutional - Mary L. Sick, mailed report to Chuck S. but as of conference session it had not arrived.

Public Information - Rick S. gave report. Presented copies of P.I. kit which deals with how to contact media.

Recommendations: Contact all national, state and World Health Organizations with info packet. 2) Comprise definitive guidelines concerning interaction agencies, police, law enforcement, drug recovery. 3) Distribute updated list of 12 Step names and numbers 4) Establish P.I. address for receipt of mail.

Literature Comm. - Mark McG. stated they held over 25 meetings and sent out 50 packets of literature packet. Brought 50 to WSC. Three areas to work on: I.P.s, NA Pamphlets and Service Pamphlet.

OLD LITERATURE: Review and revise where necessary.

NEW LITERATURE: Tabled until input received.

Motion made: Page 3, II, Item 3 between A & B "Duly elected subcommittee chairmen" be put into - CARRIED.

Discussion ensued regarding allowing ASC a vote. Withdrawn.

Regarding defining regions on a map form: the Administration Committee's responsibilities would be to get a map going with assistance from WSO. Greg referred us to definition of a region which is found on page 11 in the blue packet.

Recommendations: WSC Guidelines to change page 3 #3 to include: subcommittee chairmen be included and along with RSD's to add words: or state representatives.
