FELLOW MEMBERS.

Our Narcotics Anonymous Directory is produced in the hope that it will help our members find another area of communication. We hope that it will be helpful to those who are traveling throughout the U.S.A. and other countries.

Many groups have not registered with the World Service Office, we should remember that groups also need support or they disappear. We ask that all Loners, Groups or General Service Representatives let us know who you are, where you are and how you can be reached.

We trust that all members who make use of this list, do so with the Twelfth Tradition in mind and that the principle of anonymity will ensure its confidentiality. To preserve anonymity, Please, DO NOT USE N.A. OR NARCOTICS ANONYMOUS ON POSTCARDS OR OUTSIDE WRAPPERS when contacting individual members.

This World Directory was compiled by data made available to the World Service Office Inc. (WSO) by group secretaries, Area Service Committees and Regional Service Committees throughout the World, via the WSO Registration forms made available to the Fellowship by the WSO.

If you find that your group is not listed or that there is a meeting that is no longer in existence, please contact the WSO by either writing or phoning, to ensure that your input will reflect in the next printing of the World Directory.

We suggest that you register your group for inclusion in the World Directory on or after a period of 90 days, as often times a meeting will go through a transition period whereby they may decide upon a more favorable meeting place, time, type of meeting, etc. after the initial start-up of that meeting.

By all means though, please keep in touch with us so that we may be of assistance to you when you and/or a group of you decide to start a meeting.

Yours in Fellowship & Love.

World Service Office Inc.
